NOVELTY DAFFODILS

CORRECTIONS IN PRICES

Due to the fact that our catalogue was prepared early in the season when prices were rather unsettled, we wish at this time to amend our prices on certain items. Please remember that these quotations are for Northwest grown bulbs that can be delivered early in the season and do not confuse these with the very small bulbs offered in some quarters at bargain rates. We will give full value on orders already received for these items.

As stocks are short on many things, we would advise early ordering to avoid disappointment.

ADA FINCH	\$1.20 ea.	HADES	\$1.00 ea.
BEERSHEBA	1.00 ea.	MRS. BACKHOUSE	.75 ea.
CARBINEER	4.00 ea.	RUSTOM PASHA	3.00 ea.

Also, please note: The poem "Why I Love the Daffodil" used on page 21 of our catalogue is property of the Westwood Daffodil Garden Club, Westwood, Birmingham, Alabama and is not to be reprinted in whole or in part without their permission.
